

Indelible dural folding two-metre rule

The semi-flexible duraluminium folding two-metre rule makes measuring easier. Its anti-reflection treatment enables quick measuring both indoors and outdoors. Its chemically etched graduations guarantee a long service life.

FEATURES

- > No sharp edges
- > White graduations on black background
- > Anti-reflection finish
- > Excellent quality material and joints: excellent resistance to breakage

SPECIFICATIONS

Lenght (mm)	15
Width (mm)	240
Height (mm)	20
Weight (kg)	0,15

Technical description

Duraluminium
